

**MINUTES OF FIRST MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
November 4-5, 2015**

Chair Barter called the first meeting of the 2015-2016 Board to order at 2:30 P.M., Wednesday, November 4, 2015 at the at the Board Office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair
A. Frazier Christy	Vice Chair
M. Elisabeth Hyde	Secretary
Richard G. Grace	Member (arrived late)
Nathan G. Johnson	Member
Randall D. Whorton	Member

Members Absent:

Charles P. Willis	Member
-------------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with a prayer.

The proposed meeting agenda was reviewed.

16-001. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to adopt the proposed agenda. MOTION CARRIED 5-0.

Minutes of the sixth meeting of the 2014-2015 Board were received for approval.

16-002. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the minutes of the sixth meeting of the 2014-2015 Board held September 24-25, 2015 be approved as corrected. MOTION CARRIED 5-0.

Due to the lateness of the start of the meeting from the posted time the public present at the meeting were invited to make comments if they chose to do so. Mr. Jacob Pierce took the opportunity to update the Board on the efforts being made in the GIS community to develop a statewide GIS architectural plan and Virtual Alabama. He thanked the Board for its involvement in these efforts.

Mr. Grace arrived.

Action items from previous board meetings were reviewed. During the review of the open action items a discussion was made on how technical reviews and the monitoring reviews should be accomplished. It was suggested that a RFQ be developed to see if anyone was interested in the providing the review services and at what cost. It was determined that the respective board members should be queried to determine if the board member was going to do the review or if it should be sent to a technical advisor. The Executive Director was tasked to determine if additional liability insurance coverage could be obtained that would cover board members, board staff, volunteer tech advisors, and contracted tech advisors.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the September 24-25, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

- 16-003. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval of licenses issued since the September 24-25, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.
- 16-004. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval of Engineer Intern Certifications issued since the September 24-25, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.
- 16-005. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval for examination those applicants approved since the September 24-25, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.
- 16-006. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board defers for licensure Tres James Warner and Jonathan David Gentry. MOTION CARRIED 6-0.
- 16-007. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board denies for licensure Erika Lee Bolger. MOTION CARRIED 6-0.

16-008. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board approves Stephen Edward Sweeney and Samuel Dwight Bledsoe to sit for the professional engineering examination. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014-2015 statistics. The logistics for the January and February Board meetings was discussed. The January meeting will consist of the hearing postponed from July and a normal board agenda. If time does not permit the entire agenda being handled, the non time sensitive items will be carried over to the February meeting. Also included on the agenda for the February meeting is another disciplinary hearing.

CORRESPONDENCE

Prior to adjourning for the day, the Board discussed the request that had been made by Mr. John Sims that involved a scenario where the right of entry for professional land surveyors had been used. Mr. Sims was questioning as to whether or not a county department could access private property to perform surveying in association with the development of easements. Mr. Sims in his scenario identified that the surveyors had notified the property owner of the need for access. The Board determined that the notification provided the standard of care required under Section 34-11-2(d), Code of Alabama. The Board could not provide an answer to the whether the continuance of the survey crew to enter the property after having been told to leave was considered trespassing since that would be a legal determination which was not in the Board's authority to render.

The Board adjourned at 5:25 P.M. The Board reconvened on November 5, 2015 at 8:00 A.M with all members being present.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-009. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the proposed consent order and issue the Final Order for Case 2014-28-B. It was determined that there was probable cause that Mr. James C. Traywick, PE #4937, and Shook & Fletcher Mechanical Contractors Inc., CA-175-E had offered and performed engineering services during the time the personal license was lapsed and the company certificate of authorization for engineering was lapsed and expired. The accepted terms of the Consent Order are that Mr. Traywick will pay a \$2,000 fine, Mr. Traywick's PE license will be

suspended for six months with that suspension being stayed, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Grace recused.

- 16-010. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to close Case 2015-27-B with no formal action. MOTION CARRIED 6-0 with Mr. Willis recused.
- 16-011. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to accept the proposed consent order and issue the Final Order for Case 2015-42-B. It was determined that there was probable cause that Mr. Robert Unger, PE# 15347 had not obtained the continuing education courses in a legal manner that he had claimed on his 2015 licensure renewal. During the investigation Mr. Unger acknowledged that he had sat in on courses without paying for the courses by taking a nametag that had not been picked up. The accepted terms of the Consent Order are that will pay a \$1,500 fine, he must provide documentation that indicates he has completed the required professional development hours prior to December 1, 2015, he acknowledges that he cannot use the hours gained to meet the Consent Order requirement for the PDH renewal requirement for 2016, his professional engineer's license is suspended until he provides the documentation that he has completed the required courses, he will cease and desist attending professional development activities without providing the required payment and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-1 with Mr. Whorton recused and Mr. Barter voting in the negative.
- 16-012. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to close Case 2015-46-C with no formal action. MOTION CARRIED 6-0 with Mr. Christy recused.
- 16-013. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to close Case 2015-06-C with no formal action. MOTION CARRIED 6-0 with Mr. Whorton recused.

NEW BUSINESS

- 16-014. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to go into closed session to discuss pending litigation. MOTION CARRIED with Mr. Barter, Mr. Christy, Ms. Hyde, Mr. Grace, Mr. Johnson, Mr. Whorton, and Mr. Willis voting in the affirmative.

Mr. Albritton, Board Attorney, confirmed that the reason for going into an executive session was valid. Chair Barter identified that the executive session would last till approximately 9:30 A.M. The Board went into executive session at 9:00 A.M. and came out of executive session at 9:30 A.M.

- 16-015. IT WAS MOVED by Ms. Hyde and seconded by Mr. Willis to have Mr. Albritton file an appeal in regards to the case against Omni Fire. MOTION CARRIED 5-2 with Mr. Johnson and Mr. Grace voting in the negative.
- 16-016. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to work with the State Fire Marshall to seek an amendment to Section 34-33-a10 to clarify that there must be PE sealed drawings in the submission process. MOTION CARRIED UNANIMOUS.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the September 2015 Board Meeting were reviewed.

16-017. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the September 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUS.

The Board discussed the Certificate of Authorization application that had exceptions.

16-018. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to approve the application for Acertus Consulting Group LLC. MOTION CARRIED UNANIMOUS.

FINANCE – Mr. Richard Grace, Advisor

The financial report for September 2015 was reviewed.

The Board reviewed and approved the proposed budget for FY 2016-2017.

16-019. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to ratify the proposed FY 2016-2017 budget. MOTION CARRIED UNANIMOUS.

EXECUTIVE DIRECTOR'S REPORT

The Executive Director briefed the changes to the Attorney General's Memorandum for Legal Service Coverage. It was noted that the Board will now be paying for legal services on an hourly rate.

16-020. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to approve the October 1, 2015 – September 30, 2016 Attorney General Interagency Agreement. MOTION CARRIED UNANIMOUS.

UNFINISHED BUSINESS

The Board was briefed on the meeting that was held to discuss the problems that the Association of County Engineers had with the Board's position on what should not be contained on subdivision plats. An agreement between the parties had been reached and an official opinion of the Board was being drafted to reflect that decision. The draft opinion will be reviewed by all parties in the meeting prior to being presented to the full Board for their consideration.

Mr. Christy provided an interim report from the Surveying Task Force. The task force had met twice to identify the action items for the task force and to develop suggested language that could resolve the issues the land surveyors were having with the quality based selection (QBS) process. The Board

reviewed the proposed language that had been developed by the committee and had been briefed to those present at the ASPLS October conference lunch. It was the opinion of board members that the language drafted would not solve the problems identified and may cause more harm than good. Efforts of the task force will continue. The Board concurred with the proposed changes to the definition of practice of surveying and agreed it to include them in the proposed law changes.

CORRESPONDENCE

The Board reviewed publications that required no action.

OPEN FORUM

No additional comments made during the open forum.

CLOSING REMARKS

The next meeting of the Board for board business is scheduled for Tuesday, January 12, 2016 at the Airport Marriott Hotel in Mobile, Alabama beginning at 8:30 A.M. The meeting adjourned at 12:15 P.M.
